INFORMATION CIRCULAR

(containing information as at May 21, 2025, except as otherwise indicated)

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies (each a "Proxy" and collectively, "Proxies") by the management of PENDER GROWTH FUND INC. (the "Company"), for use at the Annual General Meeting of the shareholders of the Company, to be held on June 24, 2025 (the "Meeting") at the time and place and for the purposes set forth in the accompanying Notices of Meeting (the "Notice"). The Company is managed by PenderFund Capital Management Ltd. (the "Manager"). While the solicitation will be made primarily by mail, Proxies may be solicited personally or by telephone by the regular employees of the Company and the Manager at nominal cost. The cost of solicitation will be borne by the Company.

No person is authorized to give any information or to make any representations other than those contained in this Information Circular and, if given or made, such information or representations should not be relied upon as having been authorized.

APPOINTMENT OF PROXYHOLDER AND REVOCATION OF PROXIES

The persons named in the enclosed forms of Proxy are nominees selected by the Company's management. A shareholder of the Company (a "Shareholder") has the right to appoint a person to represent and vote for the Shareholder at the Meeting other than the persons designated in the enclosed forms of Proxy. To exercise this right, a Shareholder must strike out the names of the persons named in each of the enclosed forms of Proxy and insert the name of the Shareholder's nominee in the blank space provided, or complete another proper instrument of Proxy. Such other person need not be a Shareholder of the Company.

The Company has enclosed a form of Proxy. Shareholders must complete the form of Proxy in respect of the shares of the Company the Shareholder intends to be voted by its proxyholder. Each Proxy must be signed by the Shareholder or by the Shareholder's attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer. Evidence of the authority of such attorney or officer, as applicable, must accompany each Proxy.

Each completed Proxy must be deposited at least 48 hours before the time of the Meeting or any adjournment thereof at which the Proxy is to be used, excluding Saturdays, Sundays and holidays, or, at the discretion of the Chairman of the Meeting, at any time prior to the Meeting.

Proxies for Class C Participating Common Shares are to be deposited at the office of the Company's registrar, TSX Trust Company, Attn: Proxy Department at Box 721, Agincourt, ON M1S 0A1.

Please see your enclosed form of Proxy for further voting instructions, including how to vote over the Internet.

A Shareholder may revoke a proxy on any matter on which it has not been previously exercised:

- (a) by depositing an instrument in writing executed by him or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer, with evidence of the authority of such attorney or officer, as applicable, accompanying the Proxy: (i) with the Company at any time up to and including the last business day before the day of the Meeting or any adjournment thereof at which the Proxy is to be used, or (ii) with the Chairman of the Meeting at the scheduled commencement of the Meeting or adjournment thereof at which time the Proxy is to be used, or
- (b) in any other manner permitted by law.

Revocation of Proxies may also be done electronically. Shareholders who wish to revoke Proxies electronically are urged to contact the Company to determine the availability, and instructions for the use, of this option.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold shares in their own name. Shareholders who hold their shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders who appear on the records maintained by the Company’s registrar and transfer agent as registered holders of shares will be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then those shares will, in all likelihood, not be registered in the shareholder’s name. Such shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted or withheld at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The form of instrument of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form (“**VIF**”), mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted. If you have any questions respecting the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Pursuant to the provisions of NI 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-011**”), the Company is providing the Notice of Meeting, Circular and Proxy or VIF, as applicable, to both registered shareholders and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding common shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. As a result, if you are a Beneficial Shareholder, you can expect to receive a scannable VIF from TSX Trust Company. Please complete and return the VIF to TSX Trust Company in the envelope provided or by facsimile or by email. In addition, telephone voting and internet voting instructions can be found on the VIF. TSX Trust Company will tabulate the results of the VIFs received from the Company’s NOBOs (as defined below) and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs they receive.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the shares in that capacity. NI 54-101 allows a Beneficial Shareholder who does not object to their identity being made known to the issuers of the securities which they own (a “**NOBO**”) to submit to the Company or an applicable intermediary any document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. If such a request is received, the Company or an intermediary, as applicable, must arrange, without expenses to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Circular, provided that the Company or the intermediary receives such written instructions from the NOBO at least one business day prior to the time by which proxies are to be submitted at the Meeting, with the result that such a written request must be received by 10:00 a.m. (Vancouver time) on the day which is at least three business days prior to the Meeting. A Beneficial Shareholder who wishes to attend the Meeting and to vote their shares as proxyholder for the registered shareholder, should enter their own name in the blank space on the VIF or such other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder and return the same in accordance with the instructions contained in the VIF.

The Company’s Beneficial Shareholders who object to their identity being known to the issuers of securities which they own (an “**OBO**”) can expect to be contacted by Broadridge or their brokers or their broker’s agents as set out above. The Company does not intend to pay for intermediaries to deliver the Notice of Meeting, Circular and VIF to OBOs and accordingly, if the OBO’s intermediary does not assume the costs of delivery of those documents in the event that the OBO wishes to receive them, the OBO may not receive the documentation.

VOTING AND EXERCISE OF DISCRETION OF PROXIES

The securities represented by a Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for, and if the Shareholder specifies a choice with respect to any matter to be acted upon the securities will be voted accordingly.

In the absence of any instructions on how the securities represented by the Proxy are to be voted, the proxyholder will have discretionary authority to vote on such unspecified matters. The persons named in the enclosed form of Proxy intend to vote in favour of the motions proposed to be made at the Meeting as stated in the Notice and in this Information Circular.

The form of Proxy enclosed confers discretionary authority with respect to amendments or variations to the matters disclosed in the Notice and in this Information Circular, or any other matters, which may properly be brought before the Meeting. At the time of the printing of this Information Circular, the Company’s management is not aware of any such amendments, variations or other matters to be presented for action at the Meeting. If, however, any amendments, variations or other matters which are not now known to the Company’s management should properly come before the Meeting, the Proxies hereby solicited will be

exercised on such matters in accordance with the best judgment of the proxyholder on such matters. If a shareholder does not wish to confer discretionary authority on the proxyholder, the shareholder should mark "against" under the item *"To approve the transaction of such other business as may properly come before the Meeting"* in the Proxy.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company's authorized capital consists of an unlimited number of Class C Participating Common shares (the **"Class C Shares"** or the **"Shares"**) which entitle the holder to one vote per Class C Share at general meetings of the Company, of which there were 7,094,621 Class C Shares issued and outstanding as of the Record Date. The Company's authorized capital also includes an unlimited number of Preferred shares which do not entitle the holder to vote at general meetings of the Company, of which there were none issued and outstanding as of the Record Date.

Unless otherwise permitted by law, only those Shareholders of record holding Shares on May 21, 2025 (the **"Record Date"**) shall be entitled to vote at the Meeting, or any adjournment thereof, in person or by Proxy. On any poll, each Shareholder of record holding Shares on the Record Date is entitled to exercise the voting rights attached to each Share registered in his or her name on the list of Shareholders as at the Record Date, which list will be available for inspection during normal business hours at the office of the Manager and at the Meeting.

To the knowledge of the directors and senior officers of the Company, no person beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to all outstanding Shares.

APPOINTMENT AND REMUNERATION OF AUDITORS

The Shareholders of the Company will be asked to pass an ordinary resolution to approve the re-appointment of KPMG LLP, Chartered Professional Accountants (**"KPMG"**), located at 777 Dunsmuir Street, Vancouver, British Columbia, as auditors for the Company, to hold office until the next annual general meeting of the Shareholders at a remuneration to be fixed by the Board of Directors of the Company (the **"Board"**). KPMG was first appointed as the auditor of the Company effective December 22, 2010.

ELECTION OF DIRECTORS

The Company currently has four directors. The term of office of each of the present directors of the Company expires at the Meeting. **The persons named below will be presented for election as directors at the Meeting as management's nominees.** All of the nominees are current directors of the Company. Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual general meeting of the Shareholders of the Company or until his successor is elected or appointed, unless his office is earlier vacated in accordance with the Articles of the Company or with the provisions of the British Columbia *Business Corporations Act* (the **"BCBCA"**).

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company entered into an agreement dated effective May 1, 2003 with PenderFund Capital Management Ltd. (the "**Manager**"), which was subsequently amended on each of October 1, 2003, June 22, 2006, July 22, 2010. The Company and the Manager entered into an amended and restated management agreement dated May 1, 2017, which was amended on each of March 7, 2019, May 21, 2019, and December 31, 2023. (the "**Management Agreement**").

Pursuant to the Management Agreement, the Manager provides management services relating to the Company making investments and administration of the Company's affairs. These services include structuring and negotiating prospective investments; monitoring the financial and operating performance of investee companies, and determining the timing, terms and method of disposing of the Company's investments in its investee companies; and ensuring that appropriate accounting, bookkeeping and clerical records are maintained with respect to the operations of the Company. See "Management Contracts".

Executive management services are provided to the Company through the Manager under the terms of the Management Agreement and paid for by the Manager from the fees paid to the Manager under the Management Agreement. In these circumstances, the Company considers that the compensation paid by the Manager to the individuals that act as the chief executive officer and chief financial officer of the Company are matters that are more appropriately determined by the Manager's Board of Directors (the "**Board of the Manager**"). The Board has not considered the implications of the risks associated with the Manager's compensation policies and practices. The Company does not have a policy preventing a Named Executive Officer (as defined below) or director of the Company from purchasing financial instruments designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. The Company does not grant equity

securities as compensation.

Security Based Compensation

The Company does not currently have a security based compensation plan pursuant to which security based compensation may be granted and currently has no intention to adopt such a plan. However, the Board retains the discretion to revisit this decision in the future.

Termination of the Management Agreement

On April 30, 2023, the Management Agreement was renewed automatically for a further term of four years, until April 30, 2027. The Management Agreement will be renewed automatically for further successive terms of four years unless the Shareholders of the Company resolve to terminate the engagement of the Manager at the expiry of any term by a special resolution at a meeting called for that purpose. The Manager may terminate the Management Agreement in certain circumstances and the Company may terminate the Management Agreement on grounds such as material breach of the agreement by the Manager without remedy within 120 days of the Manager being notified of the breach.

In the event the Management Agreement is terminated by either party, the Company will pay to the Manager:

The Company has agreed to indemnify the Manager in respect of any claims resulting from any mistakes or errors of judgment or from any act or omission of the Manager in carrying out its duties under the Management Agreement. Unless, in an action against the Manager, the Manager achieves complete or substantial success as a defendant, the Manager will not be indemnified for any claim where there has been negligence, misfeasance or willful misconduct of the Manager or the Manager has failed to fulfill its standard of care set to the Company set forth in the Management Agreement.

This Management Fee is calculated monthly, by multiplying the Company's Net Asset Value on the last valuation date in the month in respect of which the fee is payable by the applicable percentage and dividing by twelve, and will be paid on receipt of the Manager's invoice.

Performance Fee

Under the Management Agreement, the Manager is entitled to be paid a performance fee (the "**Performance Fee**"), the amount and basis of which is in accordance with practices typical within the venture capital industry. The Performance Fee is payable annually in arrears, and is equal to 20% of the amount by which the increase in the Company's Net Asset Value exceeds an annual return of 6% since the most recent date as of which the Company paid a Performance Fee, plus applicable taxes.

Any Performance Fee paid to the Manager in respect of any year shall not be subsequently refunded by virtue of a reduction in the Net Asset Value.

The Performance Fee will be calculated and paid annually in arrears. In the event that the Management Agreement is terminated, the Performance Fee will continue to be payable in respect of the month in which termination occurs.

The Management Fee and Performance Fee are intended to cover all of the expenses incurred by the Manager in managing the Company, except travel expenses and expenses incurred by the Manager to obtain such specialized legal, accounting and/or other consulting and/or professional services, to attend such specialized conferences and/or trade shows, and to obtain such specialized research reports, industry and marketing studies, operational analyses, executive searches and other professional advisory studies and/or other specialized information as the Manager may from time to time be required to obtain and/or to attend in order to be able to effectively research and analyze potential investment and divestiture opportunities available to the Company and/or effectively manage the investment portfolio of the Company, which will be paid or reimbursed by the Company. The Manager is also separately reimbursed for all expenses incurred by the Manager for administering the day-to-day operations of the Company.

The calculation of any Performance Fee and the determination as to whether such a fee is payable to the Manager is a complex process. Shareholders are advised to refer to the Company's current annual information form and most recent audited financial statements for more details.

Fees Earned and Paid in 2024

During the fiscal year ended December 31, 2024, the Manager earned Management Fees of \$1,923,608,

For the year ended December 31, 2024, the Company earned performance fees on investment performance of \$1,130,673. The manager agreed to waive \$282,668 of the performance fee it earned, reducing the net performance fee to \$848,005 except the 2021 Unrealized Performance Fee as discussed below. This performance fee was paid in April 2025.

In 2021, the performance fee expense of \$27,743,466 comprised \$22,514,596 that arose from the net increase in unrealized appreciation of the Company's direct and indirect holdings of Copperleaf ("2021 Unrealized Performance Fee") and \$5,228,870 that arose from net realized gains and this latter amount was paid to the Manager in April 2022.

The Manager voluntarily agreed that the payment of the 2021 Unrealized Performance Fee would be deferred until the underlying gains were realized, so it was not paid upon the publication of the Company's 2021 audited annual financial statements as it otherwise would have been. Instead it was agreed that it would be recalculated based on the market price of Copperleaf at each period end, the accrual and expenses adjusted accordingly, and quarterly payments would be triggered from time to time as gains are realized. The quarterly payments would be equal to the total recalculated performance fee arising from the realized gain on the Company's holdings of Copperleaf while the weight of this holding exceeded 20% of the Company's shareholders' equity. When the Company's Copperleaf holdings were at or below a 20% weighting, the performance fee on the unrealized appreciation on those remaining holdings will be paid to the Manager. The high water mark will be recalculated accordingly.

As at December 31, 2024, the 2021 Unrealized Performance fee was recalculated, based on the realized gain, to be \$14,437,921. The Manager voluntarily waived \$3,609,480 of this performance fee and the net amount of \$10,828,441 (\$10,312,801 before GST) was paid to the Manager in September 2024.

These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and senior management of the Company consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

Board of Directors

Management is nominating four individuals for election to the Company’s Board at the Meeting, all of whom are current directors of the Company.

The definition of “independent” directors under NI 52-110 provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. The “material relationship” is defined as a relationship, which could, in the view of the Company’s Board, reasonably interfere with the exercise of a director’s independent judgement. Of current members of the Board, Derek Hemmes, Wendy Porter and Kristal Hamakawa are considered to be independent within the meaning of NI 52-110. David Barr, who is President and CEO of the Company and President and CEO of the Manager, and Kelly Edmison, who is a shareholder and Chairman of the board of directors of the Manager, are not considered to be independent within the meaning of NI 52-110.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to management, evaluate management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the Manager and the management team of the Company. The Board will give direction and guidance to the Manager and will keep the Manager informed of its evaluation of the Manager in achieving and complying with goals and policies established by the Board.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees. The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee and Governance and Nominating Committee and the chairperson of each committee.

The Board establishes and periodically reviews and updates the mandates, charters, duties and responsibilities of each committee of the Board, elects a chairperson of the Board and establishes his or her duties and responsibilities, appoints the CEO/President and, CFO of the Company and establishes the duties and responsibilities of those positions and on the recommendation of the CEO/President, appoints the senior officers of the Company and approves the senior management structure of the Company.

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board. The Board will also review and approve, at least annually, a strategic plan, which takes into account, among other things, the opportunities and risks of the Company’s business and affairs.

Directorships

No directors of the Company are also directors of other listed issuers.

Orientation and Continuing Education

The Company does not have a formal orientation and education program for new directors. New directors will be given the opportunity to familiarize themselves with the Company's operations and the current directors and members of management. Directors are also encouraged and given the opportunity for continuing education. Kelly Edmison holds the ICD.D designation granted by the Institute of Corporate Directors.

Ethical Business Conduct

The Board encourages and promotes a culture of ethical business conduct through communication and supervision as part of its overall stewardship responsibility. The Board has adopted a Code of Business Conduct and Ethics (the “**Code**”) to be followed by the Company's directors, officers and employees. The Code is also to be followed, where appropriate, by the Company's agents and representatives, including consultants where specifically required. The purpose of the Code is to, among other things, promote honest and ethical conduct, avoid conflict of interest, promote full, fair, accurate and timely disclosure and comply with the applicable government laws and securities rules and regulations.

In accordance with applicable corporate law, any director who is in a position of conflict must refrain from voting on any resolution of the Board with respect to the conflict. The Board may also require the director to excuse himself or herself from deliberations of the Board or may alternatively refer the matter for consideration by a committee of independent directors of the Board.

In addition to the above, the Code provides guidance on trading in securities of the Company to promote a culture of ethical conduct.

Nomination of Directors

The Governance and Nominating Committee consists of three directors: Kelly Edmison, Kristal Hamakawa, and Derek Hemmes. Kristal Hamakawa and Derek Hemmes are independent directors of the Company within the meaning of NI 52-110. Kelly Edmison is a director and shareholder of the Manager and is, therefore, not considered to be independent of the Company within the meaning of NI 52-110.

The Governance and Nominating Committee is responsible for developing and monitoring the Company's approach to corporate governance issues. The Committee oversees the effective functioning of the Board, oversees the relationship between the Board and management, ensures that the Board can function independently of management at such times as is desirable or necessary, identifies individuals qualified to become new Board members and recommends to the Board the director nominees at each annual meeting of shareholders.

In identifying possible nominees to the Board, the Governance and Nominating Committee considers the competencies and skills necessary for the Board as a whole, the skills of existing directors and the competencies and skills each new nominee will bring to the Board, as well as whether or not each nominee will devote sufficient time and resources to the Board. The Governance and Nominating Committee makes recommendations to the Board with respect to the size and composition of the Board and the appropriateness of the committees of the Board and also annually reviews and makes recommendations with respect to the effectiveness and contribution of the Board, its committees and individual directors, having reference to their respective mandates, charters and position descriptions. The Governance and Nominating Committee meets as many times as is necessary to carry out its responsibilities.

Compensation

The Company does not have a compensation committee as the Board would be responsible for determining all forms of compensation to be granted to the senior officers and directors of the Company, however no such compensation is currently paid by the Company. The independent Board members review and negotiate the Management Agreement with the Manager and the Company's senior officers and directors are compensated as employees of the Manager. In the event that the Company begins compensating its senior officers directly, it will be the responsibility of the Board to determine the appropriate compensation and to ensure that it is competitive and reflects the responsibilities and risks associated with each position. In these circumstances, the Board would consider the following factors in determining the compensation of its senior officers: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general.

Other Board Committees

The Board has no committees, other than the Audit Committee and the Corporate Governance and Nomination Committee.

Assessments

In accordance with its Charter, the Corporate Governance and Nominating Committee is tasked with completing an annual performance evaluation of the Board. This report will compare the performance of the Board with the requirements of the Board's mandate. The performance evaluation by the Committee shall be conducted in such manner as the Committee deems appropriate.
