Pender Small Cap Opportunities Fund

EQUITY

Classes B and G of the Pender Small Cap Opportunities Fund are currently open to retail investors. The Pender Small Cap Opportunities Fund is an opportunistic, concentrated portfolio. The Fund is focused on undervalued small and microcap companies with strong underlying economics, predominantly in Canada. The manager often seeks out special situations, and has a track record of identifying catalysts, where market-leading companies have been acquired. After deep fundamental analysis these businesses are purchased at a discount to our estimate of intrinsic value.

ABOUT PENDER

Pender was founded in 2003 and is an independent, employee-owned investment firm located in Vancouver, British Columbia. Our goal is to protect and grow wealth for our investors over time. We have a talented investment team of expert analysts, security selectors and independent thinkers who actively manage our suite of differentiated investment funds, exploiting inefficient parts of the investing universe to achieve our goal.

PORTFOLIO MANAGER(S)

David Barr, CFA

David Barr is the CEO of Pender. He is also the Portfolio Manager of several of Pender’s funds. David has been investing since 2000 and is an advocate of value investing. He aims to determine the intrinsic value of a company and to buy shares in that company at a significant discount to that value (margin of safety). He looks for value in unloved and unfollowed parts of the market where he can find quality at a discount. Capital preservation and downside protection are a primary concern. David holds a Bachelor of Science degree from the University of British Columbia and an MBA from the Schulich School of Business, York University. He earned his CFA designation in 2003 and is a past President and an active member of the CFA Society Vancouver.

Amar Pandya, CFA

Amar is a Portfolio Manager of several of Pender's alternative investment funds and began his investment career in 2011 in the Portfolio Management Training Program at a large global financial services company. He moved to pursue his passion for equities becoming an APM at a large-cap equity value firm before being drawn to Pender and the west coast in 2017. As an advocate of a contrarian value investing approach, Amar has expertise in event driven special situations with a primary focus on M&A and balance sheet driven special situations. He holds a Bachelor of Commerce degree in Finance (Honours) from the University of Manitoba. He earned his Chartered Financial Analyst designation in 2015.
